They will then have you fill out your name and phone number on a ticket to put into the collection jar. You are also welcome to donate a book of your choice that is not on the list.*
- 2. Or, you can call any of the bookstores to purchase a book over the phone and pay with a credit card. They will add your book to the book drive pile and will put your name and phone number on a prize ticket and put it in the collection jar for you. \*If you know someone who lives far away, but wants to participate, this is a great way for them to help the community and possibly win!*
