Dear Dr. Carpenter:

The Department of Elementary and Secondary Education (Department) received official notice that the member towns of the Monomoy Regional School District have approved a targeted amendment to the Regional School District Agreement. The amendment makes changes to Section VII concerning the budget process, Section VIII concerning the definition of capital costs, and Section IX concerning the method of assessing costs of the district. The amendment also makes changes to Section II.B concerning quorum and Section XV concerning the incurring of debt, to bring these sections into agreement with current law and regulation.

The Department reviewed the amendment and found it to be consistent with applicable laws and regulations. I, therefore, approve this amendment to the Monomoy Regional School District Agreement, pursuant to 603 CMR 41.03, effective on the date of this letter.

Please contact the Department at any time if we can be of further assistance. My best wishes for continued success in all your future endeavors.

Sincerely,
