

What type of mask is OK?

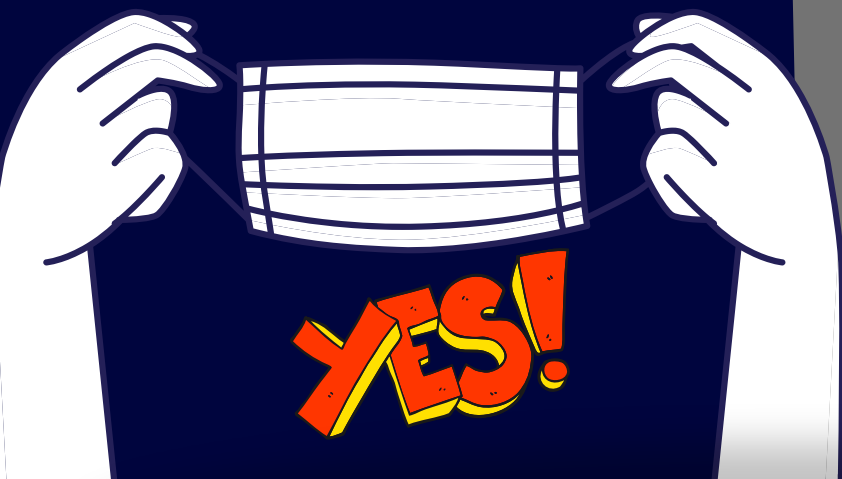

All Monomoy students and staff engaging in in-person schooling will be required to wear a face mask with two-ply material.

Acceptable

- ✓ **Cloth face masks**
Store-bought or handmade, any pattern (as long as it's appropriate for school)
- ✓ **Disposable surgical face masks**

Be sure the mask covers the nose and mouth!

Families are asked to provide masks for their children. If a child forgets theirs or it becomes unusable, there will be some available at school.

Not Acceptable

- ✗ **Bandanas**
Loose bandanas do not prevent the spread of respiratory droplets
- ✗ **Gaiters**
After studying new scientific data recently released, our Health Services team has determined that gaiters do not provide sufficient protection.
- ✗ **Masks with valves**
Valves release exhaled droplets, and don't protect others

NO!
